Re: United States v. Abu Bakr Raheem  
04 Cr. 706 (DGT)

Dear Judge Trager:

I was appointed standby counsel in the above referenced matter on May 13, 2010. Pursuant to my conversations with your Honor's case manager, I am writing on behalf of Mr. Abu Bakr Raheem to request additional time in which to complete his post trial motions. My office has reviewed the transcript and associated files, as well as had conversations with Mr. Raheem, Mr. Levitt and Mr. Loonam. Mr. Raheem, however, requires additional time in which to finish preparing his motions. The government does not object to this request.

As partially outlined in the government's letter dated September 22, 2010, Mr. Raheem, in relying on the trial record, was under the impression that the government was obligated to turn over to the defense a computer seized from cooperating witness' Dwayne Meyers apartment. He was not aware that the issue had been resolved during trial by a government lawyer's review of the computer.

Therefore, I respectfully request on Mr. Raheem's behalf that all post trial motions be filed on or before October 29, 2010. If you have any questions, or require additional information, please feel free to contact my office.

Thank you in advance for your consideration in this matter.

Sincerely,

Jeremy Schneider
